

5-Finger Pattern Secret Code

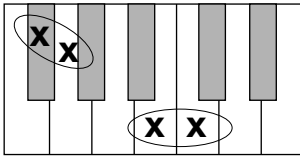

Pssst! Did you know that if you can play one 5-finger pattern, you can play ANY pattern, starting on ANY note on the piano?

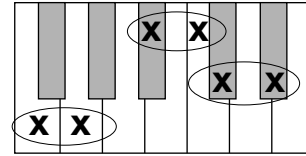

It's easy if you know the **Secret Code!**

Remember this:

A half-step is any two keys that are **right beside** each other

A whole step is any two keys with **just one** more key between them.

Now, Memorize the Secret Code:

“Tonic, Whole, Whole, Half, Whole”

Your teacher will help you write the code on the hands below
